

alpha Kappa Delta Phi Sorority, Inc.

On the Rutgers campus, the sisters of aKDPHi, are actively involved and hold executive positions with such organizations as Asian Student Council (ASC), Chinese Student Organization (CSO), Korean Student Association (KSA), Taiwanese American Students Association (TASA), the intercollegiate Taiwanese American Students Association (iTASA), Rutgers Association of Philippino Students (RAPS), Vietnamese Student Association (VSA), and the Liberation in North Korea (LINK).

Asian American Awareness is one of our top missions as a sorority. Every year, we continue to support and dedicate our time to helping fellow organizations in their endeavor to do the same. Our cultural chair is updated weekly by the different organizations to new events and programs that they have for the month. She thus relays the message to the chapter, and we try as hard as we can to make it out to support each and every event hosted by different Asian American organizations. It is not only a pleasure, but an honor, to see Asian American students uniting in such large numbers year after year.

(If you are interested in co-hosting an event with us, please contact our cultural chair.)
