

## Alumnae Spotlight - Sharina Palencia

Sharina Palencia Desai is currently a Doctoral student at the Department of Molecular, Cell, and Developmental Biology at the University of California in Los Angeles. She wed her husband in 2006 and gave birth to a beautiful baby boy a year later. Sharina crossed into the Rutgers University chapter of alpha Kappa Delta Phi as a Charter in the Spring of 2000, along with 12 of her Pledge Sisters. They made up the founding establishment of our chapter at Rutgers University. Sharina moved, with her husband, to the LA area of California when they were married and comes back to visit the chapter every so often. Sharina is certainly an inspiration to all sisters, and women, with her beautiful personality, humor, and ideals. WE MISS YOU, SHARINA, COME BACK TO VISIT! <3
